

# Get Ready for the IMP League!

**A/X Entry Deadline October 4, 2017**

**B/C Entry Deadline October 15, 2017**

## Flight A/X

Unlimited Masterpoints

Strat X is for teams under 2500 per player

28 board matches

30 point adjusted VP scale (so that a win by 1 or 2 IMPs gets you 16 or 17 VPs, not a lame 15-15 tie!)

Begins October 8, 2017

Two or three matches per month (depends upon the number of teams entered).

Regular season ends in mid-April

Usually a full round robin with 10-12 matches

Playoffs follow (including a separate playoff for strat X teams)

Interactive IMP League web page developed by Brad Bart. Enter match results and see immediately their effect on the standings table

Enter before October 4. \$54.00 per team pays the ACBL sanction fees and the net goes to Unit 430 subsidy fund

Captain's Meeting on October 7 at 6:30 p.m. Before the monthly Unit game

Player-arranged matches begin October 8 (or before if teams want to get started early!)

## Flight B/C

Flight B: All players must be under 1000 and teams of 4 must be below 3000 total each time you play

Strat C is for teams of non-Life Masters only

Two or three matches totalling 24 boards on selected Sunday afternoons at the VBC

Match days every two or three weeks from early November through April

Same boards as concurrent pairs game (compare results with your Flight A friends!)

Four people per team each day, but team rosters may have six or more. Extra players are welcome and can fill in for other teams who are missing a player, or play in the pair game and join the post game discussion

Playoffs in Flight B and in strat C follow the end of the regular season and are head-to-head A/X style matches

Enter before October 15. Flight B: \$42.00 per team. Flight C: \$30.00 per team

First match date will be decided and communicated to team captains

Match days will take place every two to three weeks at the Vancouver Bridge Center.
